

The Stormrider Surf Guide: Tropical Islands (Stormrider Surf Guides)

The Stormrider Surf Guide Tropical Islands travels through the trade winds belt on the ultimate island-hopping journey to explore and compare the worlds best warm-water surf zones. Many of the planets finest surf breaks are found between the Tropics of Cancer and Capricorn, from the powerful, mountainous waves of Hawaii and Tahiti, through the exotic Caribbean to the pristine perfection of the Maldives and Mentawais. Coral encrusted atolls, dazzling white sands and gently swaying coconut palms fringe the backdrop for many of these islands found in the shimmering, equatorial waters of the Pacific, Atlantic and Indian Oceans. Superb photos and illuminating text combine to make this Stormrider Guide indispensable for anyone searching for their next tropical paradise surfari.
