

## The Laws of Money: 5 Fail Safe Secrets for a Life of Wealth

Suze Orman is renowned for her unique brand of financial savvy, tell-it-like-it-is honesty and dynamic motivational style. An authoritative view of the world of money, characterised by straight talk, warmth and humour, the book reveals a revolutionary new paradigm of personal finance. The 5 Laws of Money are vital principles that you need to know whether you are old or young, male or female, with or without money, a novice or a veteran investor. These five laws operate without exception at all times, in every culture, and apply to everyone. The 5 Laws of Money are: Truth Creates Money, Lies Destroy It; Look at What You Have, Not at What You Had; Do What Is Right For You, Before You Do What Is Right For Your Money; Invest in the Known Before the Unknown; and, Always Remember: Money Has No Power of Its Own.
