

## Soul Power: Developing the Spirit and Soul

If you are a spiritual seeker looking for some practical advice, this book can help. In a concise and straight-forward way, it explains the importance of awakening and developing the powerful spiritual faculties that lie dormant in all of us. It tells you what tools can help you grow spiritually and how to use them. It teaches you to tap into the great sources of energy that can allow you to communicate with angels and other spiritual beings and it tells you how to use this spiritual knowledge to improve your life in this dimension as well as the next.
