

The Third Heaven: The Rise of Fallen Stars

The prequel to the Bible is here! We have always thought Hell was created for man...we were so wrong. 2nd Edition newly revised and edited Sept 29, 2014! The Third Heaven: The Rise of Fallen Stars is book one of a four part series that explores the fascinating story of the Fall of Lucifer. Lucifer was God's perfect creation. Yet he rose up to betray the Lord and bring Heaven itself to civil war. Many tales have referenced this great angelic war but few have sought to explore the behind the scene relationships between God and the angelic hosts. Why did a third of Heaven seek to overthrow their creator? See Lucifer and his actions in a light never before seen. Journey back to the beginning, and see the drama unfold before your eyes: as allegiances are broken; choices made, and why all of creation waits for the manifestation of the sons of God! See the back-story to mankind's own story, in this powerful, gripping tale of angels at war. Readers say, I feel more at peace with the old whatever happened to Lucifer? question. I believe the author was given divine inspiration to share an account both interesting to read and grounded in truth. Although admittedly NOT factual, this story IS plausible. Readers consistently say that, I had to remind myself that this was fiction. Speculative Fiction at its Finest 5 Stars!??? Man was NOT the first sin. Readers call it.. Captivating, Enthralling, Intense, Amazing, Engrossing, entertaining, wholesome, grabs you...hard, beautifully written. Thought Provoking. I am absolutely in love with all things fallen angels right now and this book did not disappoint! Scroll up and grab a copy today.
