

Tides of War #2: Honor Bound

Based on a real military program! The US Navys new breed of soldier is ready to make a big splash. An action-packed, maritime military adventure from the author of Dog Tags. A notorious Somalian pirate sails the Arabian Sea, leading a band of deadly thieves and mercenaries on an international crime spree. When they take American hostages aboard a cargo ship, theyve finally gone too far -- and a special task force of Navy SEALs and Marines is called in to help. SEALs, Marines ... and a talented sea lion named Sly. As Slys handler, young sailor Felix has two important jobs. Job one is to get Sly to plant a beacon so that the U.S. strike force can follow the pirates back to their haven. Job two is to keep the sea lion safe and out of combat. But when the mission goes wrong and the pirates get the upper hand, Felix and Sly end up right in the middle of the action ... with dozens of innocent lives at stake.
