

Treasures of Her Heart

Nikki Townley a fashion-buyer, looking for a life with deeper meaning, leaves her career and moves to a small, tourist town in northern Michigan to assist her ailing great-aunt Winnie in running her floundering antique business. There she finds herself caught in a mystery searching for her aunts missing fortune, facing an investment company in pursuit of her aunts property, and hoping to save long-distance romance with her faithful male friend Rob Moore, while struggling to escape her attraction to an exciting, smooth-talking womanizer. Can she overcome temptation, locate the missing fortune and find the truth to the treasures of her heart? Will Rob wait for Nikki to make up her mind?
