

## TRIPLE Checking Her Cherry (Taboo Forbidden Erotica)

Camis cherry is ripe for the picking -- or rather, dicking -- by the man she THOUGHT she could trust most! Poor little Cami has a problem with her pussy. Hers isnt like all the other girls at university -- its damn near sealed thanks to her extra-tight cherry. The way 19-year-old Cami sees it, she has two options: she could have surgery to fix it, or she could get the man of the house to fix it. She decides to opt for the latter, failing to recognize this means giving her V card to someone she shouldnt. Popping Camis cherry wont be quick, easy or painless -- her pussy is just too tight, and the man of the house is just TOO BIG! It also wont be without consequence in about NINE MONTHS... Check the LOOK INSIDE for a taste of what you want... then hit 1-click and get what you deserve. \* Note: This is the third book in the stand-alone Checking Her Cherry series. Its not necessary to have read books one or two, as they all feature different characters. What links them together is the title theme, which represents a taboo so hot, wrong and deliciously naughty, youll want to pop your cherry over and over again by buying the whole set!
