

Checking Her Cherry, Too (*Stand-alone Sequel* of Taboo Erotica)

Stand-alone Sequel to an Amazon Top 100 Erotica Bestseller in the U.S. & U.K.! Connie has reached that special age in a young woman's life that warrants her first trip to the gyno: 18. It's not a check-up she can put off, as she wishes to attend med camp, where a clean bill of health is required. After failing to book an appointment the *legit* route, Connie fears her summer plans are ruined. Luckily for Connie, the man of the house happens to make house calls, and he's prepared to give her a very taboo exam. All she has to do is lie back, spread her legs wide and allow Kirk to use his special instrument to perform a check of her cherry... in a manner even more deliciously demented than the first book! Check the LOOK INSIDE for a taste of what you want... then hit 1-click and get what you deserve. * Note: It's not necessary to have read the first Checking Her Cherry to enjoy this story, but after reading it, you'll certainly want to! This sequel features different characters, but shares the same TABOO title theme.
