

## 40 Days of Purity for Guys (True Love Project)

With straight-to-the-point devos that dig into the life-changing messages of the True Love Project, teen guys will be given a new perception of the love and relationships God has intended for them. Just as Jesus spent 40 days in the wilderness preparing for His ministry, young men are called to spend 40 days in the Word. For these 40 days, guys will live a life of purity and learn to reflect the relationship of the Trinity in their own relationships with others. In reading the 40 Days of Purity for Guys, teens will discover that their purity is a leading example in a misled world and is only made possible through a strength much greater than their own.
