

Bellas Beach Gangbang: Taboo Erotica

Though my TABOO stories are about pushing the limits and breaking all the rules, it seems there are just some guidelines that we all have to follow. Of course, when Amazon banned my original titles for being too hot and controversial, I wondered if I could simply seduce my way out of trouble *like most of my characters do! But alas, I have been forced to submit to their authority (some of my characters like that too!) and provide only very vague titles and descriptions for you, the reader. Believe me, Bellas Beach Gangbang was not my first choice for this book. But dont worry! This erotic story still features all the good stuff inside naughty, kinky, forbidden relationships that explore the taboo of sexy characters who live and play together. Some readers may find this material offensive, so consider yourself warned... When Bella begs the man in charge to take her to the beach with his buddies, she cant wait to spend the weekend getting closer to the four handsome friends and it seems they cant wait to get to know her a bit better too. Soon, she is on her hands and knees in the sand and shes enjoying a lot more than just the beautiful view. Now, each man will have his turn to please her as they all join in for Bellas sexy beach gangbang. J.C.
