

Uncommon Marriage Bible Study

A marriage gets stronger when you invite God into it. A companion study to Tony and Lauren Dungy's popular book *Uncommon Marriage*, this 5-week guide for couples or small groups delves into Scripture to explore the blessings and challenges couples face today. Drawing on biblical truths and their own personal experiences, Tony and Lauren share the importance of making time for each other, resolving conflict well, staying strong and committed through difficult times, coping with changes and big decisions, praying together, building a spiritual foundation for your family, and more. The *Uncommon Marriage Bible Study* will help equip your marriage to survive tough issues and flourish with joy, purpose, and partnership—in other words, to be a marriage that is truly uncommon. The book also includes icebreakers for groups, a leaders guide, and links to free resources for churches.
