

IEC 60191-6-10 Ed. 1.0 en:2003, Mechanical standardization of semiconductor devices - Part 6-10: General rules for the preparation of outline drawings ... device packages - Dimensions of P-VSON

Provides the common outline drawings and dimensions for all types of structures and composed materials of plastic very thin small outline non-lead package (P-VSON). This title may contain less than 24 pages of technical content.
