

My Secret Life: Sex Diary of a Victorian Gentlemen (Volumes IV to VII) (My Secret Life (Sex Diary of a Victorian Gentleman Book 2)

one of the most valuable sources of information on sexual attitudes and practices in the last part of the nineteenth century in the English speaking world. Totalling 11 volumes and over 4000 pages, originally written in 1888 My Secret Life is a Victorian Erotic extraordinary and a genre defining masterpiece of sordid story-telling. Recounting the sexual exploits of Walter amongst a great many a maid, prostitute, belle, and a debutante of two, every encounter is described in a wonderfully graphic prose that perfectly captures the visceral backdrop of an era caught between stoic conformity and libertinage abandon. Volumes IV to VII are considerably presented herein with original indexing and chapter headings, all hyper-linked for ease of reference. Volumes I to III, and VIII to XI, are also available from Locus Elm Press; dedicated to bringing you unexpurgated erotica and introducing the visual romanticism of books to e-readers.
