

XXX Workplace Stories Vol. 1

XXX Workplace Stories Vol. 1 contains five crazy, erotic tales from the place many people would rather not be: work! The stories included are: Interview Skills Interviews can be filled with stress and resumes aren't everything. You need to demonstrate the skills you can bring to the table. You'd better be on your, ahem, toes, to get what you want! This young lady really wants the job and she's willing to do anything to make it happen! She makes quite an impression with her Interview Skills! Interview Skills 2 A young man sneaks into the office early for his big interview only to be stunned by the beautiful young woman he finds there. She is prepared. But is he ready to show her what he's got? Interview Skills 3 A young lady is ready to do whatever it takes to get the job she wants. When her prospective boss gives her the runaround, she takes matters into her own, er, hands. She's determined to show off the requisite skills the boss is looking for! Special Detail It's Lisa's birthday and for her birthday wish she wants to unwrap the hot SWAT officer guarding her building. Will she stay on the sidelines, admiring from afar? Or is she going to break out and do something she might regret? Maybe her wild friend, Tammy, is not the best influence... Parent-Teacher Conference Gone Wild Miss Simpson, the new sexy, young teacher is struggling with her first parent-teacher conferences. But when a hot dad arrives to help her out she shows him her appreciation right on her classroom desk! It's a parent-teacher conference neither will forget! Or top!
