

## Warrior: Level 1 (Star Force Training Manual)

The Star Force scifi universe is an incredibly dense story with many facets, but at the core of the Star Force organization is their physical and mental TRAINING. Without it, Star Force doesn't exist and the philosophy behind the empire falls apart. Many people want to know more about this philosophy and how much of it is fiction and how much is fact. The following is a FACTUAL training manual outlining the basics of Star Force training philosophy and what it means to be a Warrior, for the two are intrinsically linked and the key to defying old age and attaining limited immortality.
