

The Customers Waiting (What Do Lesbians Do In Bed? SINGLES)

If you're not ready to commit to the entire *What Do Lesbians Do In Bed?* anthology, no problem! Enjoy a quick taste of Sapphic sexiness with the *SINGLES* series! In *The Customers Waiting*, Ashlin hates her department store job. She'll take any excuse to visit the big scary dyke who fixes returned items and broken junk in a cage in the basement. Levy is snarly and inhospitable, but Ashlin loves to rattle her cage. One day Levy will surrender to Ashlin's advances, maybe secure her to the cage with cable ties and torture her with one of those so-called neck massagers from the Health and Beauty Department. One day Ashlin will get her way. With a surprise bonus story! Giselle Renarde's erotic fiction has appeared in over 100 anthologies, including prestigious collections like *Best Lesbian Erotica*, *Best Lesbian Romance*, *Best Womens Erotica*, *Girl Fever*, and the Lambda Award-winning collection *Wild Girls*, *Wild Nights*.
