

## When Breaks The Dawn (Canadian West)

Having survived the harshness of their first year in the far Northwest, Elizabeth and Wynn, her Royal Canadian Mountie, now face new challenges, make new friends, start a new school and are presented with a new posting. Will their love for each other, hope for the future and their faith in God carry them through a crushing disappointment? The lovely young schoolteacher from the east has become a frontier woman -- or has she?
