

Where the Heart Is (MLR Press Story A Day For the Holidays 2011 Book 41)

Dr. Trevor Carson had a good life as a city veterinarian, until his father died. Taking over his dad's remote country practice was supposed to be temporary, but Trevor found himself loving the place. If only it didn't mean separation from his partner, Michael. A Christmas visit from Michael gives each of them a chance to decide if home is a place or a person.
