

## Wicked Good Year

From award-winning Boston Herald sports columnist Steve Buckley comes Wicked Good Year, an insightful, celebratory look at Boston's mega-successful 2007-2008 sports season, during which the Red Sox swept the World Series, the Patriots went undefeated during the regular season, and the Celtics won the NBA Championship. Wicked Good Year looks at the three teams through the eyes of the players, coaches, and team personnel and also a variety of personalities and fans, showing how these teams worked together to shed their city's Loserville image and transform it into the capital of sports.
