

The Desperately Raunchy Realtor

You'd be surprised how a nice swim will put a different complexion on things, he insisted, reaching for her buttons. Mr. Sheen! Judith exclaimed, gripping his wrists. Did he know how desperately she needed the money? All right, she agreed reluctantly, easing her grip on his powerful wrists. I thought you'd see things my way, he said confidently. His strong fingers deftly freed her buttons. Judith hung her head in shame and let him strip her blouse off her... He unfastened her skirt, eased it over the swell of her hips and dropped it around her ankles. The top edge of her panties cut low on the gentle swell of her belly. They were nearly transparent... Her faint hope he would leave her with at least that shred of modesty vanished when he hooked his thumbs under the elastic. He hauled the tiny panties down. Judith cupped a hand demurely over her groin, crossed an arm across her breasts. She let her head hang, conscious of the air touching her boldly all over, even more conscious of the hot eyes raking over her bare body. Mr. Sheen, I Judith started, ready to plead for the listing. Judith has one goal and that is to secure a real estate sale enough to buy her husband an expensive piece of medical equipment. But when she visits a brazenly naked Mr. Sheen with the intent of obtaining a listing, the last thing she expects is for him to demand of her more than just a sales pitch. And what will happen when Mrs. Sheen finds out? Caught in an ever deepening cycle of debauchery and depravity, her clients will test Judith's resolve to the utmost limits of sexual pleasure. What follows is group menages, same room swinging, lesbian tribadism, and much, much more. In the process, our young and petite realtor finds herself more daring. But will her efforts prove enough to make the sale, and how will the buyer be persuaded when he finds the terms unfavorable. This graphically sumptuous work of licentious

erotic bounds with the wanton energy of a group destined for the heights of orgiastic abandon. Swingingly seductive, desperately debauched.
