

The Perfectionists

You don't have to be good to be perfect. From Sara Shepard, #1 New York Times bestselling author of the *Pretty Little Liars* series, comes another series full of juicy secrets, nail-biting suspense, and beautiful girls who will do anything to hide the ugly truth. Ava, Caitlin, Mackenzie, Julie, and Parker are all driven to be perfect no matter the cost. At first the girls think they have nothing in common, until they discover that they all hate the same person: handsome womanizer Nolan Hotchkiss, who's done things to hurt each of them. They come up with the perfect plan to murder Nolan jokingly, of course. They'd never actually go through with it. But when Nolan turns up dead in the exact way they'd discussed, the girls suddenly become prime suspects in his murder. Only, they didn't do it. So who did? Unless they find the real killer, and soon, their perfect lives will come crashing down around them.
