

## Five Books of Moses called the Pentateuch, 1884

The reader who wishes to sample the first English translation from Old Testament Hebrew original text will delight in examining Tyndale's Pentateuch. Only one perfect copy of Tyndale's Pentateuch of 1530 exists - it is in the Grenville Library of the British Museum. This book contains the books of Exodus, Leviticus, Numbers, and Deuteronomy of the first edition of 1530, and the book of Genesis of the edition of 1534. The 635-page Pentateuch is preceded by a 154-page scholarly Prolegomena and 14 pages of preface and introduction. It is an incredible reproduction of the 1884 reprint of William Tyndale's Pentateuch.
