

Microsoft® Exchange 2000 Server Resource Kit (IT-Resource Kits)

Deploy, manage, optimize, and troubleshoot Microsoft Exchange 2000 Server with the product expertise of those who know it best—the Exchange 2000 Server product team plus the real-world deployment experience of Microsoft Consulting Services (MCS). This RESOURCE KIT provides everything you need to deploy, install, back up and restore, manage security for, troubleshoot, and optimize Exchange 2000 Server. It includes more than 1,000 pages of detailed technical information, plus timesaving utilities on CD—the ideal combination of content and tools for IT professionals who work with Microsoft Exchange 2000 Server. Get up to speed with all the details you need to know about these topics:

- Project planning:** Discover what's new in Exchange 2000 and build your deployment plan.
- Planning for Active Directory services:** Understand the Active Directory environment, namespace, integration, replication, and deployment strategies.
- Prototyping and preparing:** Find out how to set up an Exchange 2000 test environment and pilot project and prepare for a new deployment or an upgrade of an existing environment.
- Basic deployment:** Learn about administration and maintenance, backup and restore, virus protection, server availability and sizing, message routing, backbone configuration and tuning, and connecting to other systems.
- Advanced deployment:** Understand Chat and Instant Messaging services, replication and directory synchronization, corporate and branch office scenarios, hosted and security-sensitive environments, Microsoft Outlook Web Access, and more.
- Security strategies:** Learn how to integrate Microsoft Windows 2000 and Exchange 2000 security features to help protect your messaging system.
- Optimizing and maintaining:** Find out how to tune and optimize Exchange and help prevent disasters and system downtime by

preparing and implementing backup strategies. A Note Regarding the CD or DVD
The print version of this book ships with a CD or DVD. For those customers purchasing one of the digital formats in which this book is available, we are pleased to offer the CD/DVD content as a free download via O'Reilly Media's Digital Distribution services. To download this content, please visit O'Reilly's web site, search for the title of this book to find its catalog page, and click on the link below the cover image (Examples, Companion Content, or Practice Files). Note that while we provide as much of the media content as we are able via free download, we are sometimes limited by licensing restrictions. Please direct any questions or concerns to booktech@oreilly.com.
