

Yes, I Can! Interdisciplinary Activities That Promote Success

High-quality, skill-building activities for three- to six-year-olds to develop fine motor skills as well as visual perceptual motor, gross motor, sensory motor, oral motor, communication and self-care skills. They'll also improve their vocabulary and counting abilities. The simple but fun activities involve young children with numbers, letters, colors, shapes, seasons and holidays, animals and a variety of other topics.
